How did the Fund perform last year?

Government Money Market seeks a high level of current income consistent with liquidity and preservation of capital.

The Fund is currently a feeder fund that invests its assets in a master portfolio, the Government Cash Management Portfolio (the "Portfolio"), a separate registered investment company managed by DWS Investment Management Americas, Inc.

The Portfolio invests in U.S. Government securities and repurchase agreements collateralized by U.S. Government securities. During 2024, second-half fed rate cuts diminished performance.

For the year ended December 31, 2024, the Fund had a total return of 3.28% (Service Class).

Primary factors affecting Fund performance include the total return of the securities and financial instruments held by the Portfolio, expenses, transaction costs, and other miscellaneous factors.
